Re: PETITION TO REPRINT THE FIRST PAGE PATENT UNDER 37 CFR 1.182

Sir:

Applicant respectfully requests reprinting of the first page of US Patent No. 7,414,062 B1 due to an error on behalf of the Patent Office involving the first page. The first named inventor should be Jacob Richter not Gregory Pinchaski.

Cover Page of Patent: (Presently shows Gregory Pinchaski as the first inventor- the first
                         inventor should be Jacob Richter - Cover page should read as below)

(12)   United Sates Patent
       Richter et al

(75)   Inventors: Jacob Richter, Ramat Hasaron (IL)

Gregory Pinchaski, Herzeliya (IL)

Applicant received a Decision (enclosed) from the US Patent and Trademark Office. The Decision indicates that Applicant's petition under 37 CFR 1.182 of August 4, 2006, to change the order of Inventors` names was GRANTED. However, Applicant's US Patent No. 7,414,062 B1 was not printed correctly. Enclosed herewith is the copy of a Decision on the "Petition for Change the Order of Inventors' Names" received from the US Patent and Trademark Office.

The errors were due to mistakes on the part of the Patent Office. No fee is believed due. However, in the event any additional fees are required, the Commissioner is authorized to charge deposit account no. 13-4500, order no. 4303-4003US1. A duplicate if this sheet is included.

Favorable and early consideration is respectfully requested.

Respectfully submitted,

MORGAN & FINNEGAN, L.L.P.
